Team Id	PNT2022TMID45468
Project	Project – Fertilizer recommendation for disease prediction

Prior Knowledge

One should have knowledge on the following concepts please refer to the videos below to gain sufficient required knowledge to complete the project.

1. Supervised and unsupervised learning: https://youtu.be/kE5QZ8G78c

2. Regression Classification and Clustering: https://youtu.be/6za9mh3uTE

3. Artificial neural networks: https://www.youtube.com/watch?v=DKSZHNTjftI

4. Convolution neural networks:
https://www.youtube.com/watch?v=cleLMnmNMpY

5. Flask: https://www.youtube.com/watch?v=lj4I_CvBnt0&t=6s
